The horses are bought into the ring individually, and judged on their conformation and movement as it pertains to their ability to make a good performance horse. Each horse is scored on a score sheet; score sheets may be collected from the show office after results have been posted. There is a set workout, which will be emailed to competitors after close of entries. Horses 3 years & over are to be shown in a plain leather snaffle bridle. Horses 2 years & under must wear a leather stable halter or plain show halter. Horses 2 years may be shown in a plain leather snaffle bridle if preferred. <u>Make up is minimal.</u> Upon being directed by the steward to enter the ring, each horse will walk straight towards the judge, halt and be stood in a more natural pose (lowered head and neck) than used in other Arabian in hand classes. An 'open stance' (ie all 4 legs visible from either side) may also be used. The judge will then direct the competitor to complete the set workout, walk a triangle, then trot a triangle, before halting again. The horse then leaves the ring via the exit. The workout and blank scoring sheet will be emailed to competitors after close of entries. Sport Horse saddle classes are judged on the circle at the walk, trot and canter. Lengthening of any gait may be required; a rein back whilst lined up may also be executed. <u>Horses are presented as if for a show hunter class - no bling browbands and minimal makeup.</u> No scoring sheet is used for saddle classes.

Style and originality; 4. Attention to detail including matching the horse (e.g. millinery, clutch, jewellery); 5. Grooming and deportment. <p>A second handler may be used to hold the horse. They must be appropriately dressed to not detract from the overall picture but they will not be judged.</p> <p>In the event of a tie, highest combined scores in section 4 shall take precedence.</p> <p><i>Committee reserves the right to modify the way this class is judged on the day if the situation dictates – e.g. cancellation of classes due to extreme weather, etc.</i></p>
27.	<p>ULTIMATE CLASSES</p> <ul style="list-style-type: none"> • Qualification - a horse must compete and place in their breed halter and breed ridden classes to qualify to compete in the Ultimate class. A breed class is a mare, stallion or gelding class that is not restricted by handler or rider age or status. • Judging – The class is conducted in two parts. In Part 1 exhibits are presented to the judge(s) in halter and each exhibit is given a score out of 10 (one being the lowest score and ten being the highest). In Part 2, exhibits are presented to the judge(s) under saddle where a ridden workout is completed and each exhibit is given an additional score out of 10. • Scoring - The led and ridden Parts of the class are each worth 50%. The points from both parts of the class are combined and the highest score wins. Ties are split by the higher halter score. • Presentation of winner - Horses to be saddled at the completion of the class for presentations. Places awarded will be gold, silver and bronze for first, second and third respectively. • Judges – One or two judges may be used. If one judge is used (one judge for Part A and one judge for Part B) the score is out of 20, and if two are used (both judge Part A and Part B) the score is out of 40. • Handler/Rider – there must only be one rider and one handler per horse. These may be the same person, or two people. There should be no more than two individuals in the ring at any one time. • There is no restriction on the number of times an exhibit can win this class, provided that it enters and contests the class in accordance with the rules. • <i>Committee reserves the right to modify the way this class is judged on the day if the situation dictates – e.g. cancellation of classes due to extreme weather, etc</i>

Good luck and enjoy the show 😊
