Due to lack of entries this event has been cancelled.

ARABIAN PERFORMANCE INDEX

This register was initiated by the board of the AHSA to encourage new members, to celebrate the Arabian blood in low percentage horses and to encourage these owners into higher percentage horses in the future.

If you have a horse with less than 12.5% Arabian Blood, consider contacting AHSA to have them recorded as API.

WAAHA offer API classes and open classes at all A Class Shows to cater for API horses.
