ABOUT THE JUDGES

Graham Smith

Graham is an Arabian Horse Society of Australia (AHSA) International Judge and is currently the Chair of the AHSA Judges and Officials Committee. Graham is recognised as an international judge of high standing with a wealth of experience in halter, saddle and performance across many different breeds and disciplines.

He has judged at many international Arabian and open shows including the Paris World Championships, European Championships, Scottsdale, New York US Open, Las Vegas, Menton, Dubai Middle East Championships, China, Brazil, United Kingdom, Italy, Belgium and many other countries.

He also loves judging a wide variety of saddle horse competitions and is qualified as an Equestrian Australia (EA) National Show Horse Judge and has qualifications with the European Horse Sports Commission. Domestically he has judged at Barastoc, EA Australasian Show Horse and Riders Championships and State Horse of the Year Shows and most Royal Shows throughout Australia.

Graham is delighted to be judging at the 2021 Western Australian Championships and helping to contribute to its success. He sees this show taking an important role this year as a way for the Western Australian Arabian horse community to stay connected and have some fun during these troubling (Covid-19) times.

Shelley Riley

I have been riding since I was six years old and started at pony club when I was ten. I have been showing horses in partnership with my sister successfully since the early seventies producing many Royal Show Champions and Horse of the Year Winners.

I won my first HOTY Show Horse competition in 1978 with an Anglo Arab and most recently in 2020 with an Arabian Derivative. I started judging in 1985 and was upgraded to a National Judge in 1994.

I enjoy judging and have officiated at all levels from Pony Club through to National Competitions at breed and hack shows across Australia. I have great pleasure in accepting the invitation to judge at the WAAHA State Arabian Championships.

Peter Thomas

I have been involved with the horses and ponies since before I could walk both in Australia and the United Kingdom. I have broken, schooled, trained and produced show animals for the show ring for over 30 years. Having been lucky enough to have been trained by my parents Ron and Debbie Thomas, who are one of the most successful producers of show ponies and horses in the UK, we successfully campaigned over 50 Champions at the Horse of the Year Show in the (UK), known for being the most famous horse show in the world, as well as many other international level accolades.

My training has also included the expertise of Barry and Leonie Marshall for over 10 years, Barry being an Olympic accredited dressage judge and chief de quip for the British team. I have also been under the instruction of Julie Templeton for showing and Charlotte Du Jardin.

Individually I have ridden 7 Horse of the Year Champions as well as numerous Runner ups, as well as over 500 winners at Royal and County level shows, producing and competing horses and ponies for many of the professional show producers in the UK.

I produced ponies whilst at a well known stud in the UK and managed their Riding Pony Stud for over 10 years. I am also a Star judge on BSPS ride and judge panel which allows me judge at all levels and classes as well as a HOYs accredited judge for the Show Horse Association again being able to ride judge and breed judge at all levels for the horses. In the UK the judges ride the horses presented to them in the ring, each and everyone of them.

I have recently Just returned from judging at the Show Horse Councils Grand National Championships in Sydney. I have ridden at the highest level in horse classes, having won many Royal and County championships in Hunter Classes through to Hacks always qualifying for and successfully competing in HOYS and the Royal International Horse show. I have produced Hacks, Riding Horses Hunters, Cobs and small hunters, competed in Working hunters and keen on Hunting, having hunted twice a week every week During the Hunting season for over 20yrs.

I'm also an accredited Dressage judge and also a judge for the Coloured Horse and Pony Society in the UK.

In 2017 I migrated from the UK to Western Australia and established Berrybank Stud, where we breed and produce our own Riding, Welsh and Part Welsh Ponies as well as Hacks and OTT Horses.
